

TLILIC0003 Licence to operate a forklift truck

ALL courses are QLD approved course resulting in Nationally recognised HRW (WP) licence

Forklift training courses are mandatory to undertake for anyone who is operating a forklift truck in line with workplace health and safety measures.

Training is best suited for those working in any operation roles where they are required to operate a forklift truck:

- Warehousing
- Logistics
- Factory Work

Outcome: Statement of Attainment for TLILIC0003 Licence to operate a forklift truck and a wallet sized card

All training and assessment is completed in the workplace

Duration of course is 2 - 3 days including assessment depending on experience

Successful completion of our forklift operator training courses allows staff to apply for a Nationally Recognised High Risk Work Licence through Worksafe Queensland. An application fee per licence applies.
